

B-Cubed 3302 Crown - Double

Thank you for purchasing our products. Assembly of this product requires a phillips screwdriver.

Lay out parts on a non-abrasive surface to avoid scratching finish.

NO.	DRAWING	DESCRIPTION	QTY
A		TOP CROWN	1

NO.	DRAWING	DESCRIPTION	QTY
B		STACKING PINS	4
C		MENDING PLATES	2
D		WOOD SCREW 4. 0*14	4

Note: The Crown - Double can be used as the top on a 3202 Cube Double or 3205 Double - Double. When stacking cubes, the Crown - Double is the top on the uppermost Cube.

STEP 1
Identify and count all parts using diagram above.

STEP 2
Identify and count all hardware.

STEP 3

Insert 4 stacking pins (B) in pre-drilled holes in top of Cube - Double or Double - Double. Align holes on underside of Crown - Double (A) to stacking pins in top of Cube - Double or Double - Double. Seat top down firmly.

STEP 4

Secure Crown - Double to Cube - Double or Double - Double by attaching Mending Plate (C) in back edges of the Cube - Double or Double - Double and Crown - Double using Wood Screw (D). Attach the Mending Plates in two places.

STEP 5

The Cube - Double or Double - Double w/ Crown is now complete. The Cube - Double or Double - Double w/ Crown can be used as a stand alone piece or will be the top assembly in a stack-a-ble configuration.
